

4seasonsflorals

Welcome to

Hello there! Welcome to 4seasonsflorals I am Rebecca, Crafting has always been close to my heart, and I could not have found more joy in creating floral wreaths and designs. As it became more than a relaxing pastime and a way of pacing myself I soon realised the potential of turning my passion into a business, I was inspired to make a career and lifestyle switch from teaching and providing salon services of hair, beauty and complementary therapies, I had become so fond of for over 30 years.

So, four years ago 4seasonsflorals was established. It was an incredible journey for me and an amazing opportunity to learn something new both for and about myself. I soon realised how much people loved these social events and my designs.

Today, I am excited to work and have turned my love for crafting into designing beautiful seasonal home decor with fresh, dried and faux flowers. Teaching people how to make flower designs and wreaths themselves!

I am based in Chesterfield but our on tour events cover Derbyshire, Leicestershire, Nottinghamshire and Lincolnshire areas, so wherever you are, I am happy and interested to help.

What we do!

Wreath shopping, Floral Designs, Sympathy Flowers, Wreath & Floral Workshops, Gift Vouchers

Wreaths

We take great pride in our floral wreaths, which are renowned for their dramatic, wild, and impressive arrangements. Bringing unique style and creative flair to every wreath, ensuring that they are not only visually stunning but also long-lasting.

Whether you are looking for a wreath for a special occasion or just want to add a touch of natural beauty to your home, you will not be disappointed with our creations.

Our wreaths construction, bases and techniques vary, using either a willow-based frame, moss with a wire frame or occasionally floral foam. They are then adorned with seasonal British foliage, sourced locally where possible, or with flowering bulbs, fresh cut flowers, dried materials, ribbons and or embellishments. Adding to their natural beauty, vibrancy, rich palette, with styles to suit everyone's taste.

With each passing season, new wreaths are created that reflect the changing colours and textures of the natural world, making each one truly unique. So, whether you are looking for a wreath for autumn, winter, spring, summer or a floral tribute, we have you covered.

Due to the foliage, flowers and materials used, there will be no two products the same. With 4seasonsflorals you can be sure that you are getting a wreath that is not only stunning and beautiful but also made with love.
